ANZAC Service

GRUNT performance
We have made a great start to our new Term and looking forward to the outstanding educational opportunities that lay ahead. I am sure that many students have most definitely grown considerably over the holidays, along with some impressive haircuts. It is lovely to see all the lovely smiling faces again ready to begin the new Term.

We were very excited to host Mr Michael McCormack, Federal Member for Parliament who gave us a surprise visit to present participation awards to those students who entered the ANZAC Day writing competition. Mr McCormack entertained us with an impromptu question time about the interesting life of a parliamentarian.

It was wonderful to experience my first MPS ANZAC Day ceremony and I was most impressed by the very practiced and respectful way in which all of our students conducted themselves throughout the service. I would also like to congratulate all participating students who attended the ANZAC Day march in Ganmain. Our school most definitely marched very well as a group and as usual their behaviour was outstanding, from the way they marched together so well to the respect they showed each other and to those we remember on this special occasion. Thank you to all parents who assisted on the day.

We wish those students travelling to Ganmain on Friday to compete in the District Cross Country event all the best and hope they enjoy the day and look forward to seeing them put in their very best effort. For those students who are successful in making it into the Riverina Cross Country this will be held on Tuesday 10th June.

The District Athletics Carnival will see selected students travelling to Barellan by private transport. It is important that your child’s notes and money are returned as soon as possible to assist the school finalise carnival organisation.

This term, as part of our focus on the Creative and Performing Arts, our students will be travelling to Wagga on Friday May 16th to enjoy the wonderful performance, “Carnival of the Animals”. Please ensure your child returns their note and money as soon as possible.

I do hope you all had a lovely break and had the opportunity to enjoy having your children home for the two weeks. I look forward to working with you all again this term.
